www.vincreative.com

Pro Version Benefits

If you want to migrate to the new version
please contact Justine Gale

Faster & Easier	Keystrokes reduced significantly
GUI Interface	Intuitive
Single Login	Only login once & open multiple options
Fonts & Colours	Each user can specify their own theme
Tabs	Options with multiple screens appear as one screen with multiple tabs allowing data to be recorded in any order
Pick Lists	Replaced with advanced search tools
Scroll Lists	Replaced with radio buttons
Sortable Columns	Quicker and easier to find required information
Data Navigation	Quicker and easier to navigate reference data and transactions with search, next, previous, first and last buttons
Fewer Menu Options	Many entry options have been removed as they have been consolidated as one option with multiple tabs
Address Details	Suburb, state and country have been added for Debtors, Creditors, Growers, Prospects and Employees
Exporting Data	Export file can be immediately opened if MS Excel is installed on the server
SQL Server	Easier data integration & better security Local server or hosted in cloud
Mobile Apps	POS, cellar ops, CRM, stock-take, etc
Data Migration	No data will be lost
Server Requirements	deepanb@ezsys.com.au
Trial Version	reception@ezsys.com.au
Migration Cost	Once off \$550 per user including GST, data migration and remote training with support fee remaining the same
Migration Procedure	justineg@ezsys.com.au
More Information	www.ezsys.com.au/products.php The presentations include server specs
